Revenue Department, Bangalore

Sir,

Meeting the extra cost of Rs 350/- over and above the Budget Provision for purchase of 2 single bullock night soil carts for the Chamarajanagar Town Municipality out of the Closing Balance

In forwarding herewith a report No CR-F 35/46 dated 27-10-1947 received from the President, Town Municipal Council, Chamarajanagar on the above subject, I have the honour to state that it is reported that at present there are no suitable means of transportation of night soil from the town to the compost ground which is over half a mile away from the town and that the hand-drawn carts now in use have worn out rendering quick transportation difficult

The council with a view to give necessary facilities have resolved at their meeting held on 27-10-1947 that two carts each drawn by a single bullock be purchased It is reported that these carts cost Rs 330/- each, as per quotation from the Hassan Implement Factory In addition to this, they have to purchase two spare drums to replace the worn out old drums of the hand carts from the same factory, which, it is said, would further cost Rs 90/- The

The total cost of both carts and drums would thus be Rs 750/-

The council have already spent a sum of Rs 400/- sanctioned in their budget for 1947-48, and they propose to meet the extra cost of Rs 350/- over and above the Budget Provision from out of the Closing balance for 1947-48

I request in the circumstances, that the proposal of the Municipal Council to purchase the two single bullock carts with drums and to meet the extra cost of Rs 350(three hundred and fifty) out of the Closing Balance may kindly be sanctioned

I have the honour to be,
Sir,
Your most obedient servant

Deputy Commissioner
